

Introduction to Chint New Energy Storage Company

Overview

Founded in 1984, CHINT Group Co. (hereinafter referred to as "CHINT") is a global leading smart energy solutions provider. Throughout its more than 40-year history, CHINT has consistently focused on diligent industrial pursuit and brand innovation. Embracing strategic imperatives such as, CHINT supports ENGIE's Intipampa Wind Power Station in Peru with a 75MVA 138kV power transformer, enabling reliable clean energy delivery in the Andes. Explore CHINT Electrics' 2025 Sustainability Report, highlighting ESG strategy, carbon neutrality goals, green innovation, responsible governance. In recent years, we have deeply implemented the strategy of "Industrialization, Technologization, Internationalization, Digitalization and Platformization", and formed three major segments of "Green Energy, Intelligent Electric and Smart Low-carbon" and two major platforms of "CHINT International. Founded in 1984, CHINT Group Co. The new all-in-one CPS ESS solution integrates the proven bi-directional energy storage inverter with state-of-the-art LFP energy storage modules.
